

## REMEMBRANCE ASSEMBLY

COAL Clough students took part in the reading of the Dulche et Decorum est ahead of Remembrance Sunday as part of our Spiritual, Moral, Social and Cultural development classes.

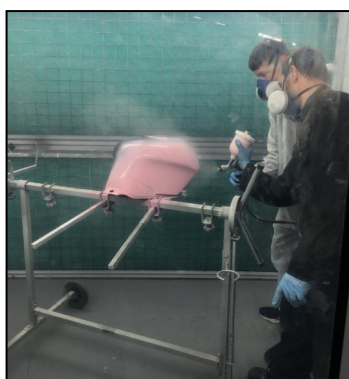

We discussed the symbolism of the poppy through poetry. They also watched an interactive video to help raise awareness of Remembrance Sunday and Armistice day.

## Blackpool College Open Day

AN open day was held at Blackpool and The Fylde College and we took some of the students along to see what type of careers available to them in the future.

In particular the boys wanted to learn about apprenticeships within the motorsport industry and even took part in a body work shop which is a module within, if they decide to study Motorsport as part of a Diploma level two or three.

It was a great day to showcase Coal Clough as a school and the students were enthusiastic and asked lots of questions, too!

## OUTDOOR FUN

WE have had a great time this week outdoors making our school look great with a spot of gardening.

The students took to making certain areas look green with new plants and top soil. We even made a mud target where mud balls of soil hit the target to get points—head over to twitter to see more pictures of our outdoor session.

## Our lads are feeling AOK

SPORTS staff took some budding footballers to Blackburn Youth Zone to take advantage of their excellent facilities. The boys were given a coaching session from Coal Clough's John O'Kane - who is a former Burnley FC footballer.

John delivered a class with the boys with lots of skills, drills

and training. He is able to give our children a great insight into what it takes to make it as a sports-person and how you can follow your dreams and to work hard to achieve this. As a former professional footballer he is able to give the students inspiration and guidance that they need themselves.

WELCOME BACK ...

Please ensure that your child wears black shoes with their uniform as inspections will be taking place.
