

SAYING NO TO BULLYING

COAL Clough Academy has a strict Anti Bullying policy and as part of the National Anti Bullying Week we encouraged the students to take part in a series of events across the school.

We encouraged some of our students to get involved in the Anti Bullying Week Conference at a conference in Blackpool. This was a fantastic opportunity for staff and pupils to recognise and stop any type of bullying within our school.

Wristbands were worn to show that we are taking a stance against bullying and we also held an assembly for all.

Forest School for Year Eight

THE benefits of outdoor education are fantastic and we took our students out to feel the benefits of an outdoor classroom setting and the students were full of enthusiasm during these lessons. Learning outdoors helped them to increase their self – belief and confidence and also helped with problem solving and their emotional well-being. And the Forest School experience was a positive one!

Children in Need Tuck Shop

STUDENTS sold goodies from a self-made tuck shop to raise money for Children in Need. Each of them could spend £1 and also took part in a non-uniform, we will let you know the final amount raised soon!

OUTDOOR GYM TO PROMOTE A HEALTHY LIFESTYLE FOR ALL

IT was great to get outside to use the gym at Scott's Park in Burnley. The students used the exercise facilities to get fit and are making use of the equipment on offer. The benefits of working out in the outdoors has proved to be excellent for health and well being and the students enjoyed this exercise session and left in high spirits having fresh air and great surroundings as they worked hard.

**DATE FOR
YOUR DIARY**

*School will
close on Friday
22nd December
and open on
Monday 8th
January 2018.*

REMINDER:
*Show My
Homework can
be accessed
through our
website*
